Bath time for the jewels

Can you lend me some?

I'm out of soap!

I'm in here!

Just wait a minute, would you?

It'll be fine!

She certainly picks her moments...

Come ooooon... Really?

Alright...

バーン

Hey!

シャ

Sorry for the intrusion!

I could wash here, it'd be easier.

Today, I only want to wash my feet anyway.

Ah, so it's bath time, hm...?

I could tell by the smell...

Still, here's one way to do it...

I'm very modest.

Well, that's reas-suring...

But don't worry...

I only want to soak my feet for a bit...

Kyah!

If it's a problem, I apologize...

Excuse me?!

What a mess...

Since my bathroom is open for anyone to use...

You're so kind.

Then please, make yourself at home...

I won't!

Don't get water on your blouse.

Yes.

Here's the soap.

Sit down...

On this towel?

Really? I do?

I'll just wash it off, alright?

ゴシ

You've got yourself another bruise...

Right where your finger is.

Is it hard for you to bathe?

Other than that, I have another problem...

When no one is there to wash me, it's difficult.

Be careful not to slip on it...

Only when I lose the soap like today...

...

I was always wondering if I was that dirty...

She would scrub me vigorously from head to toe... It was intense.

You see, my maid...

She was treating you like a precious stone.

You should have told yourself she was polishing you...

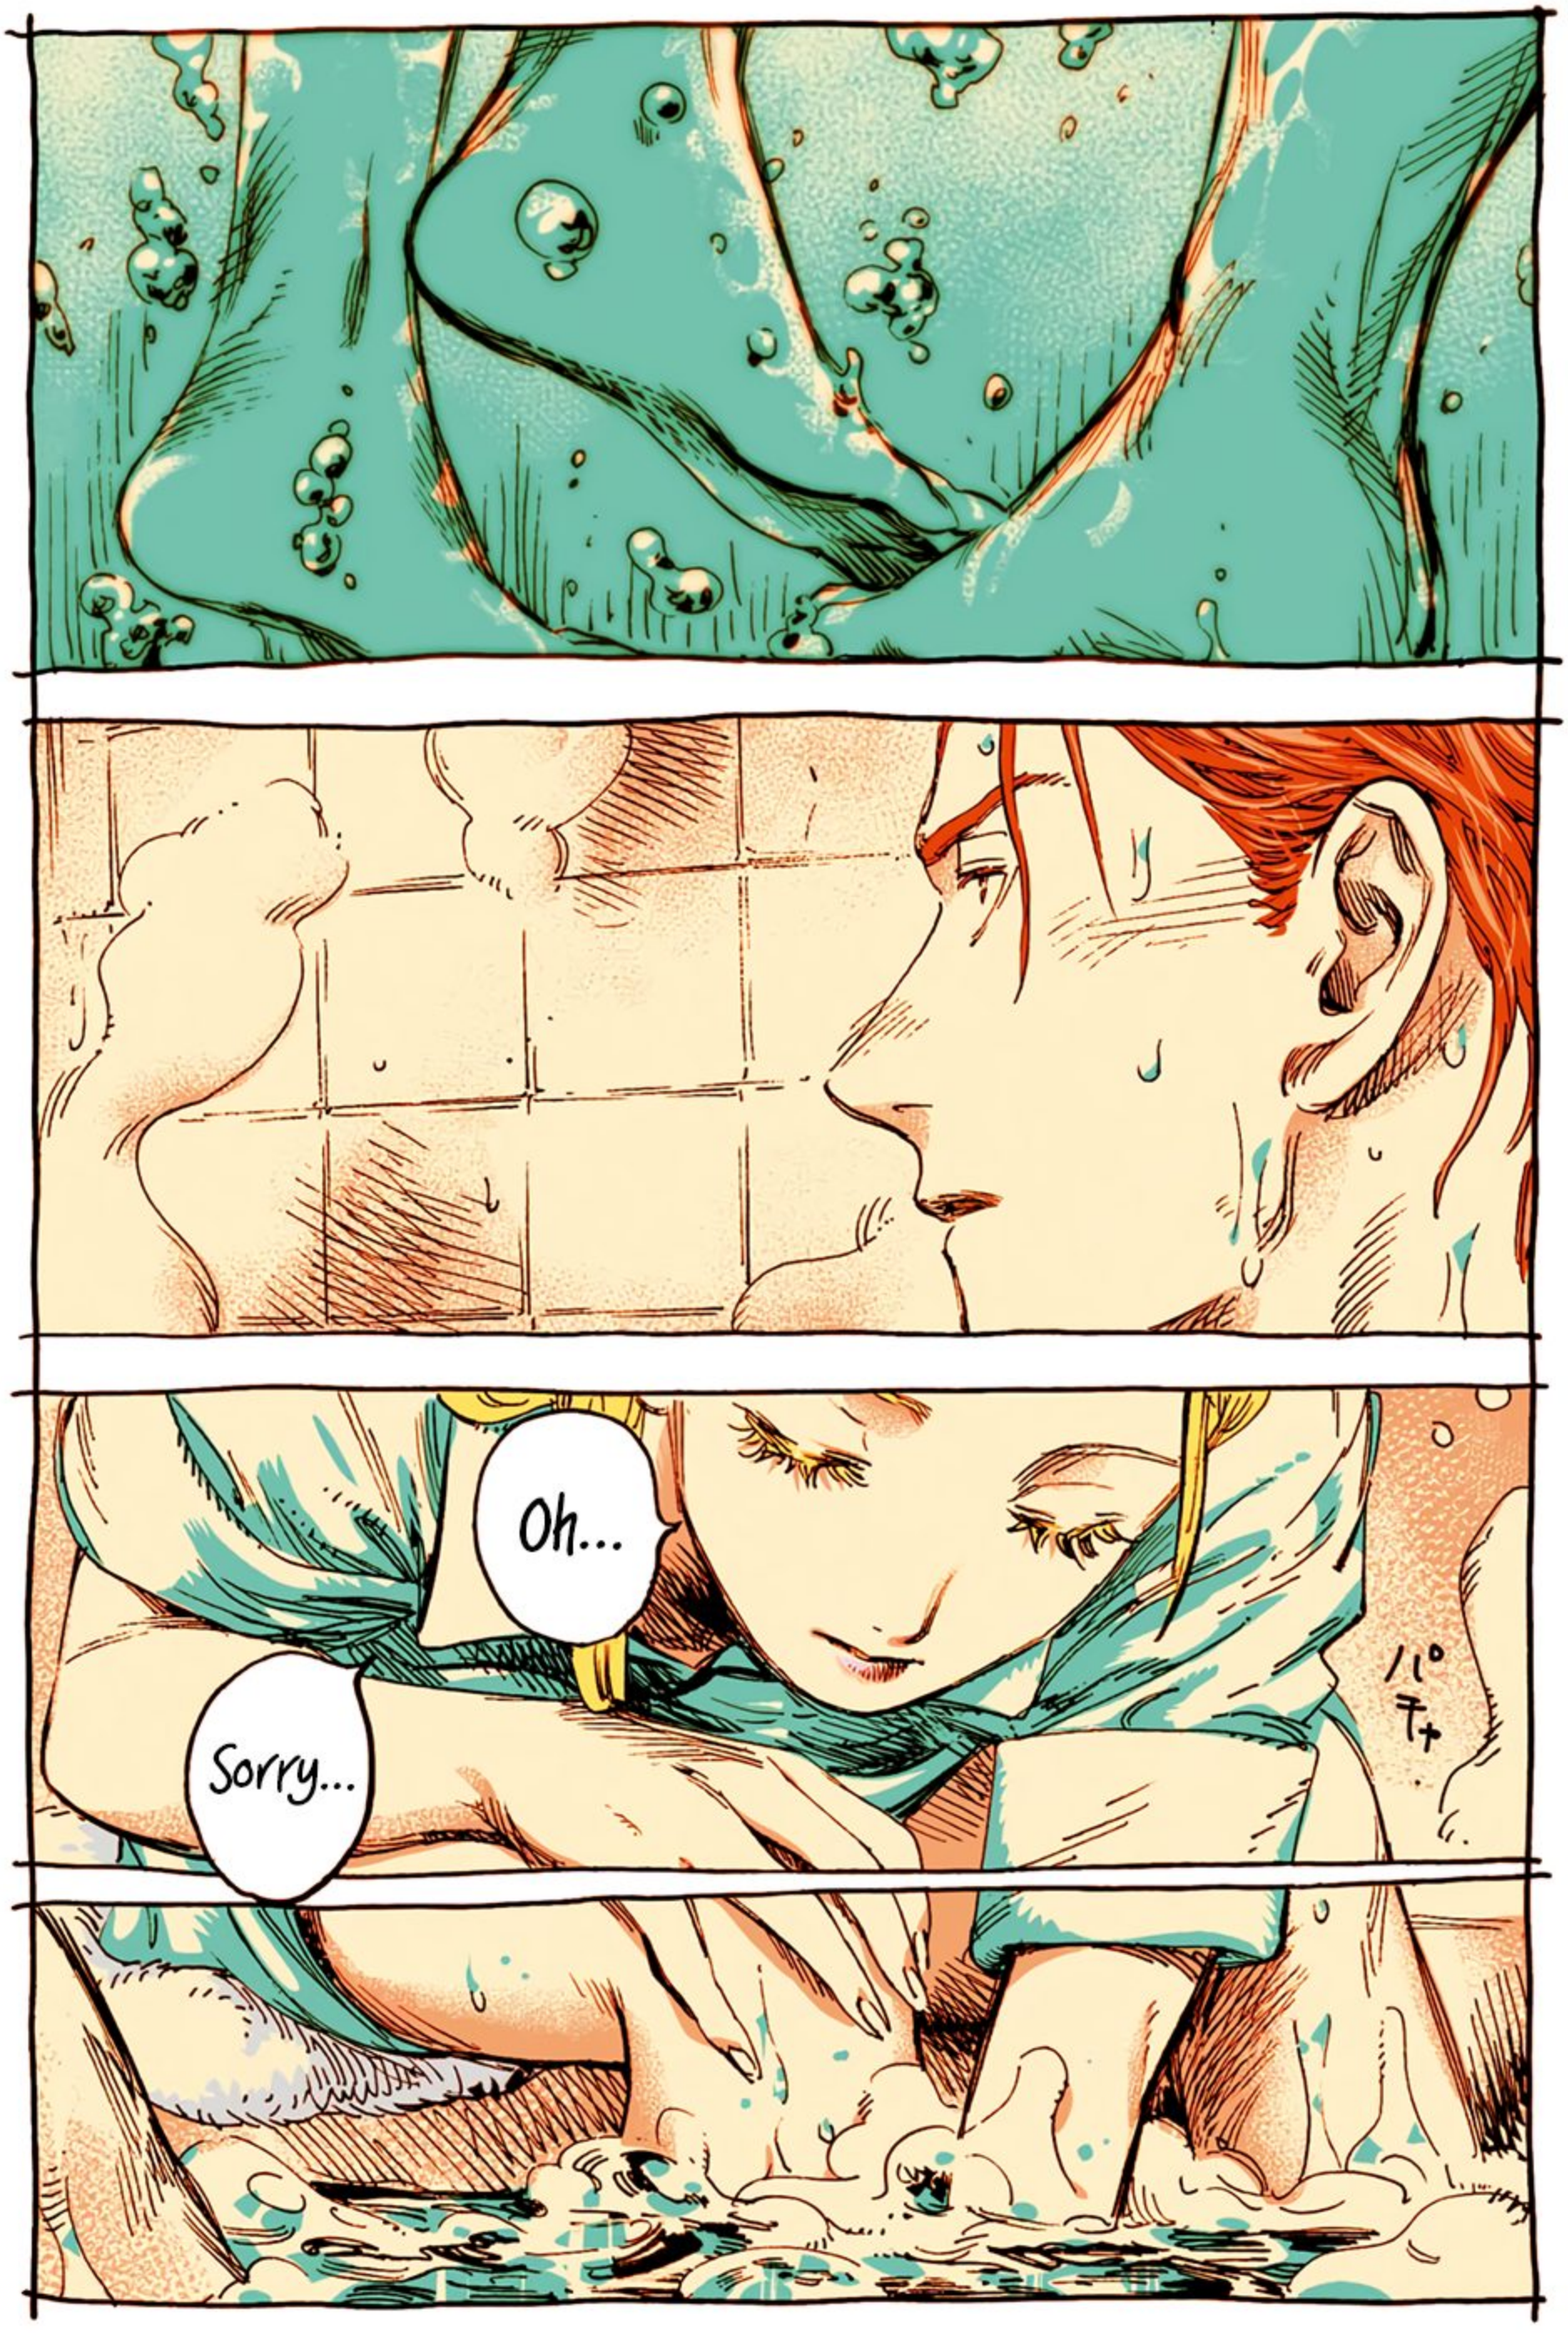
What did I say?

Uhfufu...

I'm sure you'd know how to polish me gently...

Don't be so sure about that.

Why do you say that?



Oh...
Sorry...

You said your eyes were sore, so I washed them for you!

Hurray! Bullseye!

Hey!

Meanie...

Alright, bath time is over...

Get outta here!

Here we go, you're going to get a cold now.

Hmm...

Achoo!

?

Wait...

Ah...

Ah...

You've still got some foam left.
